

Certificate of Appreciation

Learning Hub is pleased to express its deep gratitude and appreciation to the trainee Deyaa Hudaib for his exceptional performance and dedication in successfully completing the Angular course with a score of 80.

You were able to develop your Angular skills and achieve outstanding results during the course. Your excellence in solving problems and active participation in discussions had a positive impact on the basic concepts and applications in the course in using Angular, which reflects the dedication you have shown in your educational path.

We wish you a bright future in your educational and professional life and look forward to seeing more wonderful achievements.
